

This is a Licensing Agreement between you, the end user of software, and truconneXion, a.s. (hereinafter "truconneXion"). Terms and conditions of this Agreement apply to the software named above and any software updates, supplements, internet-based services, and support services for this software, unless other terms accompany those items. If so, those terms apply. By using the software, you accept these terms. If you do not accept terms and conditions of this agreement, you are not allowed to use this software.

- 1. Copyright.** The software specified in this Licensing Agreement is and will be the sole property of truconneXion. It is subject to copyright and as such is protected to the fullest extent allowable by law.
- 2. Installation and use rights.** truconneXion, subject to the terms and conditions of this Licensing Agreement, hereby grants you a nonexclusive, nontransferable right and license during the term of this Agreement to use software for as long as you abide by the provisions stipulated herein. The term and scope of your license is based on the licensing key provided by truconneXion to you based on licence fee paid. The software may include functionality that will render it inoperational upon expiration of your license. The evaluation no-cost version may have a limited functionality.
- 3. Use Limitations.** You may not use the software in any way which threatens or violates the owner's copyright. That includes making copies (with the exception of backup copies), reproducing, modifying, decompiling, reverse engineering, disassembling or making derivative products of the software or decoding it in any other way, use the software for commercial software hosting services or other similar services, rent, lease or lend the software. All rights not expressly granted are reserved.
- 4. Transferability.** This license is granted to you only and as such does not permit you to sell, lend, assign, lease or transfer in any other way any copy of the software. Any transfer in violation of this provision is not permitted and may cause your license to be terminated with no refund of the licensing fee paid.
- 5. Multiple License Installation.** Each installation of the software purchased may be installed and used on only one set of your computers. The number of the computers and software modules allowed is defined on the type of the licence purchased.
- 6. Limited Warranty.** truconneXion guarantees that the software will correspond in general terms to the description given in the user documentation during the licence key validity. truconneXion does not warrant that the software will operate without interruptions, detect all software applications and hardware parts or be bug-free. The warranty stated above is the only warranty given and replaces all other warranties, regardless of whether express or implied, including implied warranties of commercial aptitude and fitness for a specific purpose. In case you make a warranty claim within the 30-day warranty period, the liability of truconneXion is limited to replacing the product or refunding you the licensing fee paid.
- 7. Limitation of Liability.** In no event shall truconneXion neither truconneXion's partner be liable for any consequential or special damages or lost profits, including, without limitation, consequential or special damages for work stoppage or loss of work product data caused by the use or inability to use this software, even if truconneXion has been advised of the possibility or such damages or losses. By confirming this Agreement, you agree that truconneXion's liability for damages caused by the use or inability to use this software is governed by the Business Code of the Czech Republic. In case you suffer any damages for which truconneXion is liable to compensate you or in cases where the jurisdiction of a specific country does not permit limiting liability as far as compensation for damages, the contracting parties have agreed that a conventional fine in the amount of the license fee paid for the software will be assessed by you. This fine is inclusive of any and all compensation for damages caused.
- 8. Software Updates.** In order to ensure that the software functions properly, truconneXion publishes updates to this software on its web pages. These updates improve the workings of the software, remove any bugs or keep current the database definition files. The user is responsible for proper configuration of the software updating process to provide for the highest possible level of functionality.
- 9. Support Services.** truconneXion may provide you with support services related to the software. Use of Support Services is governed by the truconneXion and truconneXion's partners policies and programs which are published on the software web pages. truconneXion has no duty to support you during no-cost software evaluation.
- 10. Arbitration Clause.** This Agreement shall be governed by the laws of the Czech Republic excluding conflicts of laws principles. All disputes arising under this Agreement or in connection therewith will be adjudicated by the Czech Republic Chamber of Commerce and Agrarian Chamber Arbitration Court in Prague by three arbiters appointed pursuant to the rules of the said court. Jurisdiction of general courts is excluded and all decisions are final. The contracting parties agree to comply with the decision of the arbitration court in the time specified.
